

That's why firefighters, police officers and a unanimous Santa Clara City Council ask you to vote **NO on Proposition 75.**

NO ON 75 ... For Public Safety "Our front line police and firefighters use their strong public voice to help keep our streets safe and our neighborhoods protected. Every member of the Santa Clara City Council urges a NO vote on Prop. 75."

Pat Mahan, Mayor, Santa Clara

NO ON 75 ... For Our Future
"The supporters of Prop 75 don't represent your police officers and firefighters. They want to shut us up. Santa Clara residents deserve strong voices advocating for your safety at City Hall and in Sacramento."

Roy Gutierrez, Santa Clara Police Officer

NO ON 75 ... For Basic Fairness "The creators of Prop 75 talk about fairness, but that's not the truth.

What they really want is to prevent me and my fellow firefighters from being part of the democratic process on a fair and level playing field. Don't let them do this to us. Vote NO ON PROP 75."

Mike Ryan, Santa Clara Firefighter

PROPOSITION 75 Is Not About Fairness ... It's About **SILENCING THE VOICE of Working Californians**
