

# SUNNYVALE WILL VOTE MARCH 3 ON A DISTRICT-BASED ELECTION SYSTEM

**Measure B proposes changing Sunnyvale's City Council election system to six districts and a directly elected mayor. This proposal:**

- Would help protect the City against a lawsuit under the California Voting Rights Act; and
- Would ask voters to elect councilmembers from six geographic areas of the city.

**If Measure B passes, you would vote for a councilmember from the district where you live, and everyone would vote for mayor.**

- November 2020 ballot: even-numbered districts and mayor
- November 2022 ballot: odd-numbered districts

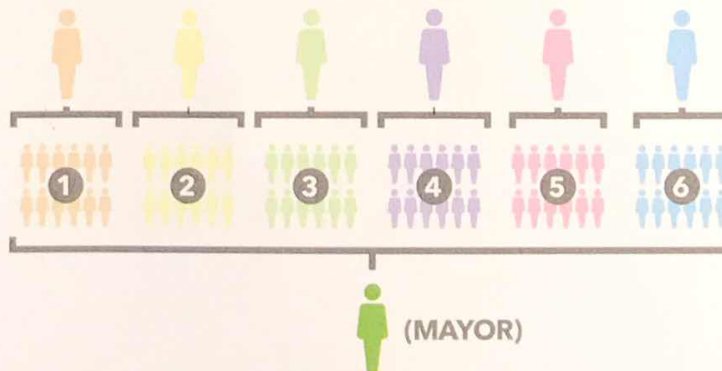

Sunnyvale

# HOW WOULD THIS DISTRICT-BASED SYSTEM WORK?

This community-developed map would be used in the next election if Measure B passes.

(DISTRICT COUNCILMEMBER)
