"We're supporting candidates who will oppose Mr. (Jed) York on the curfew issue. They will not be influenced by his massive and unprecedented (\$) million political contributions. Plus, they will represent the residents of Santa Clara with integrity and independence on all issues."

- Mayor Lisa Gillmor and Police Chief Pat Nikolai

Endorsed by Jed York.

"Months ago, we interviewed the major City Council candidates. We took the time to understand their positions on major issues. We got a sense of each candidate's personality and character.

We are disappointed that the candidates whom we did not support have hurled political attacks at us. They have called us a 'special interest.' This is not only uncalled for but it appears hypocritical since they all sought our support just a few months ago."
