Item:

7.A. Informational Report: Facility Rent Adjustment Process for Amended and Restated Stadium Lease between the Santa Clara Stadium Authority and Forty Niners SC Stadium, LLC.

Comment:

Given all of the yet unanswered questions and the intense public interest in the financial relationship between Stadco and the Stadium Authority and between the Stadium Authority and the City, the Council should amend its previous resolution to revoke the authority granted to the City Manager to amend these relationships. All substantive changes should have to be approved by a majority of the City Council at a noticed public hearing.
